

FRINGE NORTH

INTERNATIONAL THEATRE FESTIVAL

To whom it may concern,

I am pleased to write this reference letter on behalf of HeARTbeat Theatre who performed at Fringe North International Theatre Festival in August, 2017.

HeARTbeat Theatre was amazing to deal with, cooperative, professional in all aspects, and Fringe North hopes that scheduling will permit this outstanding theatre company to return as performers at Fringe North in the future.

I had the pleasure of attending a HeARTbeat production "The Secret of Castle Alphabet" with my grandchildren, ages three and six. I can report that the audience was thoroughly engaged, that the message of the play was a positive one, that everyone is a winner, and in my view children need to see and hear more of this. My grandchildren loved the play. As did I.

I would not hesitate to recommend HeARTbeat Theatre to educators, children's agencies, and lovers of children's theatre. Please feel free to contact me.

All the best,

Peter Rowe
